Members not paid up for the year 2003 by April 30 will receive no further issues of The Levant. The number which appears in the upper right corner of the mailing label indicates the year through which your dues have been paid; i.e., 2 = 2002, 3 = 2003, etc.

Last November, the Society acquired over 300 membership labels from the American Philatelic Society, consisting of persons with philatelic interests in the Middle East and related areas. We sent information about ONEPS to these folks along with a membership application. If you are one of those who have recently joined us in response to this invitation, welcome aboard !

This is the second announcement for paying Society dues/Journal subscription for 2003. Membership renewal is effected by sending the appropriate dues to the Treasurer, **made payable to ONEPS** (not to Gary Paiste). See page 2 for addresses.

Mr. David Sheby, our Secretary, is also a member of the Turkish Studies Association, which has formed a group to assist with interpreting and translating Ottoman materials (see pp.110-111 of the last issue, I:6). This group will hold a meeting on February 18, 2003, at Princeton University, to look over some specific documents and consider others. Members needing help with any Ottoman documents in Arabic script should contact David Sheby immediately (contact information on the next page).

New members are urged to print out the Membership Application from our Website or request the form when sending payment.
